

# Winner of Environmental Business of the Year Award 2007

CUMBERLAND

The 2007 Havering Business Awards saw Cumberland Construction scoop the award for Environmental Business of the Year.

The 2007 Business Award was presented to Cumberland's Managing Director David Park by the evening's host, comedienne Ruby Wax.

Cumberland were commended for the implementation of environmental management systems, workplace travel plans, Green Mark, ISO 14001, and recycling initiatives.

The Awards were held on Friday 28 September entertaining over 400 guests at Maylands Golf and Country Club.

Plus purchasing, distribution and manufacturing of environmentally sustainable products.

The Environmental Business of the Year, sponsored by Good Going, recognised businesses in Havering that make a positive contribution to protecting or improving the Environment.

David Park, Cumberland Director, said; "To receive this award is a great honour and is recognition to all our staff who have played such and important part in our success over the years."
