

Cumberland Wins Prestigious Environmental Award

CUMBERLAND

Recent work from Cumberland includes; (top left to right) Marco Pierre White, Superdrug, 3 Stores, Caffe Milan, UCL Lecture Theatre, Aspinnalls Casino

Cumberland has achieved international recognition for its environmental management systems achieving the ISO 14001 award. This award covers the systems operated at its Head Quarters in Gidea Park, joinery works in Romford, specialist spray finishes at Rainham, and all site activities.

The ISO 14001 award is an internationally recognised standard for Environmental Management Systems providing guidance on how a business can manage the environmental aspects of its activities, products and services more effectively for continual improvement.

Cumberland recognises the importance of environmental protection and is committed to operating responsibly through the implementation of:

- Regular assessment
- Training of employees
- Minimising waste production
- Minimising material waste

- Minimising energy waste
- Promoting use of recyclable and renewable materials
- Reduce use of pollutants to water, land and air
- Controlling noise emissions
- Minimise risk to the general public and employees

Customers and suppliers can now be assured that Cumberland are operating our business responsibly and in a way that ensures continually improving environmental performance.
